

# Test Report: 9/12/06 1:52 PM Acceptance Test

## Errors

The errors section shows how the errors changed throughout the test, giving detailed information about each error, including when it happened and a description of the problem.

Note: Only the first 100 errors are shown

Note: Duplicate errors are summarized

Time	Description	URL
00:10:00 repeated 21 times	Out of data for dataset parameter registered users:username	DesktopDefault.aspx
